

Downed Power Line Safety – Always Assume Downed Lines are Live Infographic

ALWAYS ASSUME ALL DOWNED LINES ARE **LIVE**

Downed power lines can be **deadly**. Always assume a downed power line is **live** and avoid approaching them or anything near them.

Use Precaution

Downed power lines can energize the ground up to **35 feet away**. Even more in wet conditions.

Never drive over downed power lines or anything in contact with them.

If you see a downed power line, **call 911**.

Never try to move a downed power line.

If a vehicle contacts a **power line or utility pole**...

STAY AWAY AND CALL 911

Consider **all lines** to be live and dangerous.

Stay in place or inside your vehicle unless you see **fire or smoke**.

Warn others to stay at least **35 feet away**.

Tell others not to approach vehicle, downed lines, or anything that may be in contact with downed lines.

Call **911**.

In the Event of Fire or Smoke

Do not touch the ground and vehicle at the **same time**.

Jump from the vehicle with **your feet together**.

Shuffle away, avoid lifting your feet.

Downed power lines can be deadly. **ALWAYS** assume a downed power line is live and avoid going near it or anything in contact with it.

Use Precaution

- Downed power lines can energize the ground up to **35 feet** away. Even more in wet conditions.
- Never drive over downed power lines or through water that is in contact with

them

- Never try to move a downed power line. Even using items that typically are not conductive **will not** prevent injury or death
- If you see a downed line call 911

If a vehicle contacts a power line or utility pole stay away and call 911

- Consider all lines to be live and dangerous
- Stay in place or inside your vehicle unless you see fire or smoke
- Warn others to stay at least 35 feet away
- Tell others not to approach vehicle, downed lines, or anything that may be in contact with downed lines
- Call 911

In the Event of Fire or Smoke

- Do not touch the ground and vehicle at the same time
- Jump from vehicle with your feet together
- Shuffle away, avoid lifting your feet
