

# OSHA Fall Prevention Poster

Workplace poster describing the hazards of falling from ladders scaffolds and roofs.

**I worked construction for 10 years  
before my fall. It shattered my body  
and my livelihood.**  
**Work safely. Use the right equipment.**

Safety Paps. Falls Cost.

**FALLS FROM LADDERS, SCAFFOLDS AND ROOFS CAN BE PREVENTED!**

|                                                                                                                     |                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                              |
