

Slip Hazards and Safety Picture This

Workplace Safety: Slips, Trips, and Falls

1 MILLION Americans suffer a slip, trip, or fall injury **every year.**

These injuries cost
EMPLOYERS
\$40,000
per accident

which makes up almost

20%
of all job related injuries.

This accounts for
—15%—
of all accidental
DEATHS 

(that's about 20,000 people annually)

1-in-6 
of all lost-time work injuries result from
slips, trips, and falls
